# *late prep*

Late Prep provides an environment in which those children who cannot be collected at the end of the school day can complete their prep. We aim to make our after school care as flexible to the needs of our families as possible. For that reason, we no longer charge for after school care and the service is free to all our pupils from Pre-school to Form 8.

The arrangements are as follows:

|             |             |   |
|-------------|-------------|---|
| Pre-school  | 1515 – 1800 | Late Prep is in Pre-school<br>Any children who have not been collected by 1700 will be taken to join the other children in the Senior Corridor classrooms.  |
| Forms 1 & 2 | 1600 – 1800 | Late Prep is in Pre-school<br>Children who have not been collected by 1600 will be walked down to Late Prep at Pre-school. Any children who have not been collected by 1700 will be taken to join the other children in the Senior Corridor classrooms. |
| Forms 3 – 5 | 1600 – 1800 | Late Prep is in the Senior Corridor<br>From 1600 the children spend 1 hour completing prep, reading a novel, colouring etc. At 1700 those who have completed their prep may start activities.   |
| Forms 6 – 8 | 1600 – 1800 | Late Prep is in the Senior Corridor<br>From 1600 the children spend 1 hour - 1.5 hours (with a break in between) completing their prep. Beyond their prep time there will be activities on offer.   |

A register is taken at the beginning of Late Prep and parents should sign their child out once they arrive to collect them.

We would be grateful if parents could provide a snack for children to have between the end of the school day and the start of Late Prep.

All children should be picked up promptly by 1800. The school office also closes at 1800. In the event of a child not being picked up by 1800, and no contact having been made by the parent, the member of staff on duty will telephone emergency contact numbers. Parents must ensure that these emergency contact numbers are up-to-date and that the people they have nominated can, in fact, be contacted at that time of day and are in a position to pick up the child if necessary.

Many children choose to attend some of the wide variety of extra-curricular activities which are on offer each day. As many of these finish earlier than 1800, children are welcome to attend Late Prep after their activity has finished.

# breakfast club

Our Breakfast Club is available for parents whose work commitments or morning arrangements require them to drop off their children, at school, earlier than 0810 when there is no guarantee that staff will be present in the classroom blocks.

The Breakfast Club operates in the Dining Room and is available to children from Pre-school to Form 8. Children can attend from 0730 at the earliest and are sent over to classrooms in time for morning registration at 0830. A breakfast consisting of cereal, toast, fruit, fruit juice, milk and tea will be provided.

Children should be escorted to the dining room by parents and signed in.

The following charges apply:

|  |  |
|--|--|
| Children having breakfast                              | £3.50 per day (£5.00 for two siblings) |
| Children dropped off early but not requiring breakfast | £2.00 per day                          |

**If children arrive in classroom blocks before 0810, they will be sent to Breakfast Club and charged at the non-breakfast rate.**

Whilst we want the atmosphere at Breakfast Club to be as informal as possible, normal school rules apply. The children will be expected to co-operate with staff at all times. Any child whose behaviour is causing concern may be asked to leave the Club.
